and have a great day out too!

Join us for a Charity Cycle Challenge in National Cycle Week Along the Jurassic Coast

8 June 2019

This year to celebrate both our 21st birthday and National Cycle Week we have organised a really special cycle challenge along the spectacular Jurassic Coast, a World Heritage Site in Dorset. Starting in Swanage you will cycle past Corfe Castle and on down to the amazing horse shoe bay of Lulworth Cove.

We will organise both a 100km and 50km route, so there is something to suit everyone.

We have arranged accommodation in Swanage from Friday evening through to Sunday. Saturday will be dedicated to the cycle ride (which we need to start early) and an evening of enjoyable company, eating delicious food, swapping stories and resting sore limbs! On Sunday you can relax, or explore the area further, before we have a delicious pub lunch and return home.

The cost of the weekend will be £80.00 per adult/ £60 per child (plus bike hire if you require it). We do not make a profit from this, so in order for us to ensure we raise money for the Trust we ask you to commit to raising a minimum of £100.00 per person participating, although we hope that this challenge will capture the imaginations of your potential sponsors so that you can easily raise more!

The cost includes:

- Accommodation from Friday evening to Sunday morning
- All meals on Saturday and breakfast on Sunday

If you would like to participate in this adventurous challenge then please fill out the form below by 30 April in order to secure your place for the weekend. Please email this to juliet@shininglife.org.

We want to make it accessible to as many Friends of the Trust and others as possible. Please use this as a fun weekend away or for a reunion for a group of friends you have not seen for a while. You can enjoy great company, stunning countryside, and a wonderful sense of achievement. And there is also the satisfaction of raising money for a good cause!

We look forward to you joining us for this challenge.
