

Give a Shining Life Gift this Christmas

Are you looking to buy a special gift for someone that will make a real difference? This year we are once again offering Shining Life Gifts. Shining Life Gifts are precious because they are genuinely needed.

Each gift purchased will help to fund our work with 3 village communities in Anaradhapura, central Sri Lanka. The communities here face the challenge of chronic poverty. With a local economy based on agriculture but located in the dry zone of Sri Lanka, water is a scarce commodity and this creates health and economic hardships. We started working with these communities just this year and have asked them to identify what would make a real difference to them as they start to build a brighter future. It is these ideas that are being passed on to you as Shining Life Gifts.

When you purchase a Shining Life Gift, it will be sent to you electronically. You will receive a detailed description of the gift you have purchased including a community photograph to pass on to your intended recipient; your chosen gift will be given directly to the families of Anaradhapura. Shining Life Gifts will change the lives of the children in Anaradhapura and thanks to you, your friends and family will know that they'll be making a real and lasting difference.

Please select your gifts from the following list and send payment to the address given below. Your Shining Life Gift will then be sent out to you. Alternatively you can order and pay through our website www.shininglife.org.

Gift Value	Shining Life Gift	Gift Description	Number of Gifts required
£5:00	Children's day celebration	Help these children celebrate their amazing achievements, and for one day forget their difficulties	-----
£10:00	Vocational training	This enables one mother to be trained in making soap and candles, which she can then sell to earn an income.	-----
£20:00	Health improvement	Fund children's health clinics, making malnutrition a thing of the past.	-----
£30:00	Library books	Help ensure access to reading for all by buying books for the new village libraries we will establish.	-----
£50:00	Bee keeping	Teach and equip families to keep bees, supporting them to earn an income and provide an environmentally friendly way to keep elephants away	-----
